WALK FOR WORK SPONSORSHIP FORM

Wednesday 19th June 2019

On Wednesday 19th June 2019, a group will be walking from Bradford to Leeds raising awareness of the campaign to Lift the Ban on the right to work for asylum seekers. The impact on asylum seekers of not being able to work is devastating - denying them of dignity and purpose and de-skilling them of any expertise and skills they may have brought with them to the UK. We're calling for an end to this cruel policy, along with more than 197 other Lift the Ban coalition members.

All funds raised will go to BEACON's work providing welcome, hospitality and support to asylum seekers in Bradford. Please dig deep to support us!
