

BEACON Vision and Objectives

Vision

That the Bradford district becomes a hospitable community where people seeking asylum and refugees are welcome, enjoy access to justice & fair treatment and are supported on their journey to independence and integration.

Objectives

BEACON will offer hospitality and welcome through:

- Providing trained volunteers to support people seeking asylum through the legal process
- Arranging the provision of accommodation in volunteers' homes for destitute asylum seekers
- Providing the opportunity for English language development, and knowledge of and engagement with the local community
- Raising awareness of the plight of people seeking asylum, through presentations and participation in campaigns on behalf of people seeking asylum and refugees
- Responding to other identified needs of people seeking asylum and refugees as appropriate and as resources allow
