

DO YOU SHARE OUR VISION?

That the Bradford district becomes a hospitable community where people seeking asylum and refugees are welcome, enjoy access to justice & fair treatment and are supported on their journey to independence and integration.

If so, you could be part of the team working to create this, and we are looking for new volunteer Trustees. **Could it be you?**

-  BEACON is a Bradford based charity which for almost 20 years has been welcoming the stranger, by supporting and working with people seeking asylum in the UK. We offer legal support, English conversation and accommodation. Some of you may know us already!
-  BEACON has an enthusiastic and committed Board of Trustees and an excellent staff team.
-  We are keen to strengthen the board to include Trustees with experience of going through the asylum system or of refugee resettlement. **Do you have that experience?**
-  Never been a trustee before? Not a problem - your experience is what matters.
-  **What we can offer you** – a warm welcome, expenses, support and training. This role will give you valuable experience of team working, decision-making and leadership.

We'd love you to join us! You will help BEACON be more responsive in our work and make a huge difference to others seeking sanctuary.
